<p>World War III begins: North Korea's blast killed more than twenty thousand people.</p> <p>On the morning of May 27, 2015, North Korea fired two missiles to Inch On (South Korea), and Hawaii destroying more than five square kilometers of these cities. More than ten thousand people were killed in total leaving more than thirty thousand injured and homeless.</p> <p>The missiles hit to South Korea at 8 am was the Nodong which damaged approximately 1000 km in range another missile, was the Taepedong - X which hit Hawaii 20 minutes later and was much destructive than the first one (stated US Arm Control)</p>	<p>World War III begins now</p> <p>On the morning of May 27, 2015, North Korea fired two missiles to Inchon and Hawaii destroying more than five square kilometers of residence. More than ten thousand people were killed instantly leaving more than thirty thousand injured and homeless.</p> <p>The first missile, “Nodong” - a short ranged bomb which damaged approximately 1000 km in range, hit Inchon at 8 am, devastating the whole city and surrounding areas, including Seoul, the capital city of south Korea. The second one “Taepedong – X” was dropped on Hawaii 20 minutes later and was more destructive than the former one since it is literally a nuclear-armed missiles, stated US Arm Control</p>
